

National FAA Safety Team presents:

AirVenture 2023 Seaplane Base Forum - When The Engine Goes Silent

What should you do when it gets quiet up front? Nine-time engine failure survivor and Master Instructor Larry Bothe will tell us what really works and what doesn't when the engine quits. Not only what you do, but when you do it, can have a big impact on your likelihood of survival. Join us for Larry's informative presentation. Larry Bothe has 8700 hours in more than 90 types of airplanes. He is part-owner of a 1961 Champion 7EC taildragger and can be contacted at LBothe@comcast.net.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

Directions: The daily FAA Safety Forum at the EAA AirVenture Seaplane Base is located under the large tent at 96WI or (N43°56.47' W88°29.62'). If you drive, the address is 5202 Streich Lane, Oshkosh, WI 54902. Phone number to the Base is 920-230-7829 (AirVenture week only). Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.
